 Report CPEs

Annual CPE Reporting

Annual continuing professional education (CPE) reporting includes the following:

- Attesting that you have completed the required CPE credit hours for your certification(s)/qualification and reporting status (in accordance with The IIA's CPE Policy).
- Attesting that you have obtained at least two hours of ethics training annually.
- Indicating whether you conform with The IIA's *International Standards for the Professional Practice of Internal Auditing*.
- Abiding by and attesting to your conformance with The IIA's Code of Ethics.

The IIA randomly samples a percentage of all certified individuals who report CPE hours to confirm conformance with The IIA's CPE Policy. If you are selected for audit, you will be required to itemize your CPE hours and supply supporting documentation, such as electronic (PDF, JPG) CPE certificates that provide evidence of the hours you reported.
